Corona statement

The undersigned is aware of the fact that participation in the 67th Tulpenrallye takes place under the circumstance of the prevailing COVID pandemic and that this means that special measures will be in place, which may differ per country and per location. The undersigned expressly declares that he / she will comply with the applicable legal regulations issued by the competent authorities and that he / she will follow the regulations and instructions issued and to be provided by or on behalf of the organization.

Regulations and directions may include:

- * Following specific indicated routing at the catering locations.
- * Keeping distance from each other and wearing a face mask when moving indoors.

- * Mandatory seat retention when visiting bars in indoor areas. A face mask must be worn when standing up.
- * A maximum number of (seating) places in catering locations such as lunches or dinners per table.

The undersigned is aware that compliance with these regulations and instructions will be supervised by and/or on behalf of the organization. The undersigned is aware that non-compliance with the rules can be fined by local authorities. The undersigned agrees that any fines imposed on the organization for violations of these rules and instructions by the undersigned, will be passed on to him or her by the organization.

Furthermore, the undersigned expressly declares that, if he / she has or develops symptoms that may indicate contamination with corona, he / she will immediately go into isolation and be tested. He / she will also inform the organizing committee. In the event of a positive outcome, he / she will leave the event together with his or her teammate/roommate without delay and will no longer visit the hotels and/or catering locations planned by the organization.

The organization reserves the right to ask participants who have (presumably) been in contact with a potentially infected person to be tested.

Participant agrees that name and address details, ID number and the validity of a corona vaccination certificate such as the EU Digital Corona Certificate (the QR code) or an equivalent vaccination certificate, if the participant comes from a non-EU country, is being registered by the organization and approves that the organization can share these data with (local) governments and/or hotels, restaurants.

This corona statement is an integral part of the regulations for the 67th Tulpenrallye.
